Competence's area: Data-mining, Statistics, Modeling, Machine Learning, Artificial intelligence, Supply Chain Management, Lean management, Databases, Programming, Big Data, Information system.

Education

Central School of Lvon

Lyon, France

MASTER 2 IN DATA SCIENCE

Sep. 2018 - Present

· Big Data, Data Mining, Machine Learning, Probabilistic Graphical Models, Knowledge Extraction and Artificial Learning, Database Systems, Statistics Applied to Engineering Sciences, Computer Networks.

National Engineering School of Tunisia

Tunis, Tunisia

ENGINEERING DIPLOMA

Sep. 2014 - 2017

· Operational Management, Supply Chain Management, lean Management, Simulation of Industrial Systems, Data Mining, Project Management, Operational Research, Stochastic Process, Control Management, Financial Engineering, Informational System Engineering.

Professional Experience _

Saint-Gobain DATA SCIENTIST INTERN Paris, France

Apr. 2019 - Sep. 2019

- ZIRPRO Sales Forecasting
 - Data preprocessing and features engineering.
 - Development of a recurrent neural network know as LSTM (Long Short Term Memory) to detect the global trend.
- Detection of fraud in financial transactions by an unsupervised approach:
 - Development of two algorithms: Isolation Forest & Local Outlier Factor to isolate atypical data.
 - Verification and validation of results with management controllers.

Attijari Bank Tunis, Tunisia

JUNIOR DATA SCIENTIST

Oct. 2017 - Sep. 2018

- Realizing clients' credit modeling and scoring project
- Contribution in the creating of a the first online Bank in Tunisia: Webank
- Redesign of customer segmentation in collaboration with Business & Decision Tunisia using Clusterin algorithm (via K-means). Attijari Bank

Tunis, Tunisia

END OF STUDIES' PROJECT Apr. 2017, Aug. 2017

• Optimization of the "Consumer Credit" process: Adaptation of the Lean Six Sigma approach and evaluation of the benefits by adopting a BPM solution. Kuala Lumpur, Malaysia

Pharmaserv Alliance SBN SUPPLY CHAIN MANAGEMENT INTERNSHIP

Jan 2017 - Mar 2017

· Management of picking and packaging operations in a pharmaceutical warehouse and optimization of merchandise transfer time.

National Agricultural Bank

Dec. 2015 - May. 2016

Tunis, Tunisia

· Analysis of the competitive position of the National Agricultural Bank compared to 10 banks listed on the stock exchange in Tunisia by first carrying out an in-depth financial analysis by exploiting financial indicators and then interpreting them using R software.

Certificates.

Sep 2019 Deeplearning.ai, TensorFlow in Practice

Juin 2019 Deeplearning.ai, Deep Learning Specialization

Avril 2019 **Udemy**, Deep Learning A-Z™: Hands-On Artificial Neural Networks

Mars 2019 Udemy, Machine Learning A-Z: Hands-On Python & R In Data Science

Extra-curricular activities

2014-2016 ENIT Junior Enterprise, Actif member & project manager 2004-2010 Club Africain, Professional football player

Tunis, Tunisia Tunis, Tunisia

Skills
